

Disability Accommodation Request Form for Emotional Support Animal in University Housing

Section 504 of the Federal Rehabilitation Act (1973), the Americans with Disabilities Act (1990, 2008), and the Housing and Urban Development (HUD) Fair Housing Act (1968, 1988, 2020) require that colleges and universities do not discriminate against otherwise qualified applicants and students with documented disabilities. Lakeland University recognizes the importance of providing reasonable accommodations in its housing policies and practices where necessary for individuals with disabilities to fully participate in the housing program.

Although it is the policy of Lakeland University that individuals are generally prohibited from having animals of any type in university housing, Lakeland will consider a request by an individual with a disability for reasonable accommodation from this prohibition to allow an Emotional Support Animal that is reasonable and necessary because of a mental health disability.

Lakeland University will accept and consider requests for reasonable accommodation in university housing at any time. The individual making the request for an ESA should complete and provide the Disability Accommodation Request Form for Emotional Support Animal to Disability Services as soon as practicably possible before moving into university housing. However, if the request for accommodation is made fewer than 60 days before the individual intends to move into university housing, Lakeland University cannot guarantee that it will be able to meet the individual's accommodation request during the first semester or term of occupancy.

Please complete this form and return it to the Disabilities Office by mail, email, or facsimile.
