

MASTER OF EDUCATION

Lakeland University courses are held one night a week, allowing graduate students to choose their own pace without giving up other important aspects of their lives. Lakeland's M.Ed. faculty is a mix of our own talented education professors and respected educators and administrators from surrounding districts.

Lakeland University offers on-site, classroom and online instruction, providing graduate students opportunities to blend learning options suited to their active lives. Teachers and school administrators will receive timely and useful instruction and tools that translate directly into better education for students.
