ENG 190 01	Approaching Literature: TBD	MAIN	Undergraduate	3 sem hrs
	Stories are how we make sense of the world. They structure our art, but also our politics, our society, and our sense of self. This course is an introduction to the various ways that stories and texts organize our understanding of things, often by using the tools of language, narrative, and perspective. This section of the course will analyze narratives from classical mythology and introduce students to the tools they need to analyze and interpret how these texts work, as well as how they influence us as readers. Pre or Co-requisites: GEN 110: Composition I: Academic Writing or consent of the instructor.
