

# CPA AND CMA PREP COURSES

## EVENING & ONLINE

### CERTIFIED PUBLIC ACCOUNTANT (CPA) PREP COURSE

Ranked among the top 10 in the nation by the National Association of State Boards of Accountancy, Lakeland's CPA prep course features three unique, online M.B.A. courses totaling nine credits which you have the option of applying toward Lakeland's M.B.A. with a concentration in accounting. Lakeland's CPA prep course credits may also be applied toward the 150-credit requirement to become certified. At the core of these online courses is the internationally recognized Becker CPA review program. Becker's CPA Exam Review is designed to help prepare students for the CPA Exam as efficiently and effectively as possible. This cutting-edge review is more personalized and more efficient than ever before with the innovative Adapt2U Learning Technology. Specially designed pre-assessments provide recommended learning paths focusing on key areas where students need the most help. Progress tests along the way also track development and provide feedback to build knowledge and instill confidence. Studying is broken into modules so learning and application of topics can more easily fit your busy schedule. And with the SkillMaster Videos in the course an expert Becker instructor will teach you how to master the Task-Based Simulation questions step-by-step so you can be confident on exam day.
