## MIDDLE CHILDHOOD THROUGH EARLY ADOLESCENCE EDUCATION (ELEMENTARY/MIDDLE EDUCATION), B.A.

Approximate ages 6 through 12 or 13, grades 1-8

The Lakeland University Bachelor of Arts degree program with a major in education is designed to meet the professional, practical and personal needs of future teachers. Students receive the coursework, knowledge, and assistance they will need to meet Wisconsin's requirements for teaching certification. They are given the pedagogical tools and practical experiences which beginning teachers need in order to succeed in their own classrooms. Finally, and most importantly, Lakeland's Education majors are encouraged to develop their own voices and teaching styles through hands-on engagement with the teaching process.

### EVENING & ONLINE

In addition to the Interdisciplinary Studies coursework required of all Lakeland University graduates, students seeking Middle Childhood through Early Adolescence teaching certification will be expected to complete the following major/professional sequence:
