FINANCIAL AID SATISFACTORY ACADEMIC PROGRESS POLICY

Lakeland College is required to establish and consistently apply standards of satisfactory academic progress to all students who receive funds from Title IV programs of financial assistance. The policy is required to have quantitative and qualitative methods to measure students’ academic progress. This policy will be reviewed after every term. This same policy will also apply to all students who receive funds from state or Lakeland College sources.

The qualitative measure is based on the cumulative grade point average (GPA). Only the highest grade of repeated courses is used in the cumulative GPA calculation.

The quantitative measure is based on the length of time for completion of the degree program. A student must complete the program within 150% of the time frame established. The Bachelor Degree requires 120 credits; therefore, a student cannot exceed 180 credits to complete the requirements (120 credits X 150% = 180 credits). It takes 4 years to complete the Bachelors Degree; therefore, a student has 6 years to complete the degree requirements (4 years X 150% = 6 years). Transfer credits accepted are counted as hours attempted and earned.

An appeal process exists for anyone whose financial aid eligibility is terminated as a result of the Financial Aid Satisfactory Academic Progress Policy. Those students affected will receive written notice of the appeal process.

No part of this policy is housed on the student’s academic record. This financial aid policy is separate from the policy for Academic Good Standing as listed in the academic catalog under the Academic Policies.
