Music Camp Check-In Procedures:
After arriving on campus all campers must report to the lobby of the Younger Family Campus Center to check-in. Prior to camp, complete the online Registration including Health and Waiver information. Health information may also be updated at check-in. During check-in you will receive your dorm and roommate assignments, confirmation of audition time, and theory level for returning campers. New campers will also need to take the theory placement exam in the Event Space (Campus Center 2nd floor above check-in) anytime between 11:30AM-3:00PM. Check-in will be from 11:30AM-3:00PM on **Sunday, July 25**. No camper will be allowed to participate in Music Camp without first checking-in.

Once registration materials are submitted you will receive a confirmation email. The week prior to camp you will receive an additional email with final information. You may also receive emails before the camp with reminders. Please check your email as it is the primary form of communication between the office, campers, and parents.

Auditions:
On the first day of camp, students audition for placement in a major ensemble. Medications:
All medications brought to camp (prescription & non-prescription) must be turned in to the Dorm Parent at first arrival at the dorms. Medications must be in marked containers with name of camper, medication, dosage, frequency and administration. The camper must contact the dorm parent and take the medication as prescribed. Campers who use inhalers and Epi-Pens may keep them (please indicate on health form).

Leaving Camp:
Campers are required to be at camp all day and may not check out and then return. Commuter campers must be at camp from 8:00AM until the end of the day's activities (approximately 8:30-9:00PM daily). Camp ends after the final performance on Saturday. The performance finishes approximately at noon.

Commuters:
All commuter students must check-in at the Camp Office every morning when they arrive. A parent or designated adult must come to the Camp Office at the end of each day to pick-up commuter students after they check-out with the office staff. Any camper who drives to and from camp in a car that remains on campus MUST leave their keys in the Camp Office when they check-in.

If the camper requires a special diet, please inform the Camp Registrar in advance. This information may be included on the Health and Waiver Form.
