## GETTING STARTED

Congratulations - you have been admitted into Lakeland University! We are so excited that you are here, and we look forward to supporting you on your academic journey. Below are some helpful steps to assist you in gaining access to Lakeland's resource portals. You can also utilize the yellow links on the left for more information in addition to connecting with you advisor for support.

### Setting up your log-in information

The IT department will send you an email containing your login credentials to access a variety of Lakeland's technology resources, including my.Lakeland, Blackboard, and your own Lakeland email account.

**my.Lakeland** is your personal link to Lakeland, and houses your personal information, registration, academic schedules, financial aid information, tuition payments, grade reports, and so much more.

**Blackboard** is Lakeland's online learning environment that you will use as a student. In Blackboard, you will be able to view your syllabus, complete assignments/exams, and participate in discussion board.

**Lakeland Email** uses Office 365 and includes Office 365 ProPlus, free of charge.

**Step 1:** Go to [outlook.office365.com/lakeland.edu](mailto:outlook.office365.com/lakeland.edu) and log in using the credentials sent by the IT department

**Step 2:** Set up your account by following the prompts, and change your default password upon logging in for the first time.

*Instructions to do so can be found on [my.lakeland@muskiecentral.edu](mailto:my.lakeland@muskiecentral.edu) Office 365 Password Self-Reset Instructions.*
