**WHAT OUR STUDENTS
ARE SAYING....**

"The transition from Madison College to Lakeland University was so simple! The advising staff took the time to make sure I understood what credits would be transferring over and helped me plan what courses would be needed next. They were very responsive when I had questions or concerns especially as I made the transition between the organizations."

-Christian Schloss

"The process of transferring was seamless. The Lakeland staff was incredibly easy to work with throughout the whole process. From applying for admittance to assisting in planning your course schedule, they make it as stress free as possible."
