

# NURSING

LAKELAND  
UNIVERSITY

Lakeland University is proud to offer our BSN through a unique partnership with Moraine Park Technical College.

The program's home base is on Lakeland's main campus, in Plymouth, Wis. Hands-on classroom instruction, laboratory practice and clinical nursing experiences are offered at Moraine Park Technical College, conveniently located just a short shuttle ride away. Students will gain real-world skills through clinical rotations at top healthcare agencies in the area, preparing you for success in your nursing career.

MORAINÉ PARK  
TECHNICAL COLLEGE

## Why Lakeland?

- **Minimum 480 hours paid on-the-job experience.**
- **Earn four credentials** while studying at two outstanding institutions with experienced faculty.
- **To gain experience, over the course of the degree, you will rotate through:**
  - intensive care unit
  - birthing center
  - emergency department
  - operating room
  - and more
- **Competitive tuition.** Financial aid and payment plans are readily available, which may also include deferred payments with tuition reimbursement.
- **Personalized admission and academic advising services.**

EARN YOUR NURSING CREDENTIALS
